Ref. Intention letter for scholarship application

Dear sir/madam,

I am writing this letter in order to apply for the scholarship offered by the Korea-LAC Scholarship Program. Currently, I am Chief of Planning Advisory Office of the National Agency of Legal Defence (Agencia Nacional de Defensa Jurídica del Estado), I am an economist specialised in e-commerce with 10+ years of experience in public service and my English language level is good enough as IELTS result shows (*see attached*).

Being accepted in the program would be a great opportunity to become a better public servant and also apply all the knowledge acquired for Colombia's development.

I really appreciate my application is taken into account, it will be an honour to represent Colombia in this scholarship program.

I look forward to hearing back from you soon.

Regards,

Iván Morales Celis
